Mdm Nuridahyu Md Noor  
Mdm Khairunisak Hussain

**President:**  
Siti Aisyah Md Nor (4S2)

**Vice – President:**  
Muhd Firdaus Hassan (3M2)

### Achievements:

This year, MLCS has been actively promoting racial harmony and cultural awareness. We kicked off the year with a performance by the dikir barat boys for the Chinese New Year concert in our effort to show our support for our fellow Chinese friends. The Malay dancers have also done their share in promoting racial harmony when they collaborated with St. Nicholas Girls' School on Racial Harmony Day in a Cultural Exchange Programme. MLCS has collaborated with St. Nicholas Girls' School for the third year in a row with the objective of promoting racial harmony among our students. During this cultural exchange, our dancers related the history of Malay Dance and introduced the various types of Malay Dances as well. It was a lively event in which our students demonstrated the types of dances followed by the St. Nicholas Girls' School students. MLCS Malay dancers even put up a traditional dance performance as a finale to the cultural exchange programme. Besides that, MLCS also participated in the cultural concert organized in light of the Chinese Immersion Programme. In this concert, both Dikir Barat and Malay Dance members put up an energetic show in their effort to showcase Malay Culture to the students from China.
