Dear Parent/Guardian

### CONDUCT OF TEMPERATURE-TAKING EXERCISE

1. The twice-daily temperature taking regime in schools was suspended in late July 09, as part of nation-wide measures to step down control measures against the Influenza A (H1N1). Schools have continued to maintain vigilance by ensuring that processes are in place for the swift re-activation of temperature-taking measures when necessary.
2. As part of measures to maintain schools' preparedness to resume temperature-taking regime, as well as to ensure that all new pupils are familiar with temperature-taking, there will be a temperature-taking exercise conducted on 07/01/2010 by the school.
3. As part of the school's preparation for the exercise, we will be conducting a pre-exercise check on Oral Digital Thermometers (ODTs) on 06/01/2010. We would like to seek your assistance in ensuring that your child brings his/her personal ODT on the two days mentioned.
4. Thank you for your support and cooperation. Together, we can conduct a successful temperature-taking exercise as part of our continuing efforts to provide a healthy and safe environment for all in our school.
