Dear Parents,

Contribution to the Student Needy Fund

Since 2001, North West CDC and the schools in the North West District have worked together to implement the 'A Heart for Students' Programme, with the intention to assist needy students with their schooling expenses such as school fees, exam fees, school uniforms and text books.

North West CDC and the school would like to expand this programme to benefit more students. We would like to appeal to you to consider signing up as an 'A Heart for Students' GIRO donor. For every dollar contributed by you through GIRO, the CDC would match it with a dollar for the benefit of needy pupils in Marsiling Secondary. The amount raised will be disbursed back to the needy students in the school.

If you would like to contribute to this meaningful project, please fill up the attached GIRO contribution form and submit the completed form through your child to his/her form teacher.

We look forward to your contributions. Thank you.

Yours sincerely

Mr Loke Chee Pheng
Principal
